

COIL SPRINGS BUFFERS & SPACERS 2025

When it comes to **suspension systems**, think of **MP**

We offer our customers high quality products, professional service and excellent availability.

MP products provide the **control, safety and comfort** you need for your vehicle!

MP Coil Spring Buffers

MP Coil Spring Buffers are ideal for occasional or permanent load on your car. Due to excellent certifies materials (flexible PVC) they have the ability to absorb shocks and offer comfort and safety. They are also progressive in operation and are available in five sizes. MP Coil Spring Buffers can be easily installed and come with a 2-year guarantee.

MP Coil Spring Spacers

MP Coil Spring Spacers are designed to help you level out your ride in stock form or lifted. These coil spring spacers are made of high-quality polyurethane that ensures durability. They are designed to fit a wide variety of your off-road or conventional vehicle applications.

Some Mercedes models have suspensions where the ride height can be “fine-tuned” by the use of rubber shims / spring spacers.						
* = Cars with more than one piece of extra equipment e.g. air condition, automatic transmission etc.
